Hon. William F. Kuntz  
United States District Court  
Eastern District of New York  
225 Cadman Plaza East  
Brooklyn, New York 11201  
Dear Judge Kuntz,

Re: United States v. Juraboev, et.al.,  
Azizjon Rakhmatov, defendant  
15-95 WFK

This letter replies to the letter motion of the government dated August 16, 2019, seeking an order dismissing defendant Rakhmatov's pretrial motions in the above referenced case. Defendant submits that such an order is unnecessary, because the motions are waived according to the terms of the plea agreement and the Supreme Court decision in *Class v. United States*, 138 S.Ct. 79 (2018).

Thank you for your attention.

Respectfully,

S/Lawrence Mark Stern  
LAWRENCE MARK STERN  
Attorney for Azizjon Rakhmatov
